Ed indicated to Lou on 14 August 1956 that you had thirteen (13) rolls of 6700' lengths of film in your possession and you desired to receive authorization to cut these to either 4000' or 6000' lengths prior to shipment to the Ranch.

Lou talked to [REDACTED] this afternoon and Mac stated he would prefer to receive film in 6000' lengths. Mac understands these rolls will be without leaders and the lengths will be approximate. We assured him however there would be no film slack.

You can use this letter as authorization to cut the film into lengths of 6000' and to ship the rolls to Mac for usage at the Ranch.
